### About Hop Step Sing!

"I want to sing forever! I'll become an idol!"

Niina Nijikawa, whose practice at Karaoke paid off and she actually became a real idol.

Mikasa Minowa, whose need for adulation means she's continually uploading videos and hosting live streams.

Shikiri Shiishiba, who decides the pair needs someone to look after them.

These three young girls form Hop Step Sing! and this is their first single, now available in VR!

**Behind the Scenes**

Kodansha have gathered some of the best creative talents in anime, CG and music for Hop Step Sing!'s first foray into the world of J-Pop.

Character and set designer, tanu, is an up-and-coming illustrator with several anime and manga to his credit (Tari Tari and Flip Flappers, etc), with Polygon Pictures (Emmy Award winning Star Wars: The Clone Wars) faithfully recreating his designs in 3D. The musical side is handled by the prolific Yashikin (Is the Order a Rabbit?, High School Fleet amongst others) with production by Lantis (Love Live! series) and the vocal talents of Sashide Maria, Toribe Mariko and Hioka Natsumi.

These Hop Step Sing! "games" are well made but very expensive for the amount of time you're likely to spend in them. The only one that's worth considering even at a discount is the Summer Vacation one, and this is coming from a filthy degenerate.
